

Inside-Outside The outside is always an inside

Consadori Gallery takes part in Milano PhotoFestival

On Tuesday 30th May 2017, Galleria Anna Maria Consadori opens the exhibition **"Inside-Outside. The outside is always an inside"**, set in the context of the **Milano PhotoFestival 12th** edition.

According to the orientation of the gallery, focused on the promotion of 20th Century art and design, the exhibition mentions Le Corbusier's quote *"Le dehors est toujours un dedans"* (1923) and displays a selection of photographs about architectural insides and outsides realized by **Valentina Angeloni, Matteo Cirenei, Giancarlo Consonni, Daniele De Lonti, Tancredi Mangano, Marco Menghi, Antonio Salvador.**

Next to these contemporary photographers the gallery also proposes a special section of antique photography with shots by **Eric Mendelsohn, Theo Van Doesburg, Ezra Stoller, Mario Crimella, William H. Short.** Once again architectural insides and outsides are protagonists of the exhibition.

"Inside-Outside. The outside is always an inside" will be open at Galleria Anna Maria Consadori until the 20th of June.
